Resume

Summary:

I am enthusiastic, well-mannered, and hard working. I am creative, with a good eye for detail and the ability to work both independently and as part of a group to complete tasks. I am a consistent worker and do my best to make sure all my tasks are completed to the highest of standards. I am currently studying to be a developer. So far I have covered HTML, CSS, JavaScript, Node.js, and Express.js. We are currently studying MYSQL. While employed at Espresso Warriors I was required to serve customers with care as well as cash handling and cash intake at the end of the day. In addition, while I was employed at ARC Group as a trainee I was required to do many tasks by myself and in cooperation with others such as new-hire set up in the SAP system, confirm information with employees and change them in the system when required.

Technical Skills:

➢ HTML
➢ CSS
➢ JavaScript
➢ Node.js
➢ Express.js
➢ MySQL
➢ Npm packages (such as Sequelize, Express-handlebars, dotenv, bcrypt, etc.)

Notable Projects:

➢ Covid-19 Tracker:
  ○ Description: *The COVID-19-Tracker allows users to select a country and view COVID-19 data including confirmed cases, deaths and recoveries. Data is fetched from the Covid-19 Rapid API and rendered via js.charts. Users can also select a previous date and view the COVID-19 totals up to that date. User searches are stored in local storage and appended below the search bar.*
